

Machine Learning Engineer

Name: Arjun Mehta

Email: arjun.mehta.ml@gmail.com

Phone: +1-555-654-1230

Location: San Francisco, USA

GitHub: github.com/arjunmehta

LinkedIn: linkedin.com/in/arjunmehta

Professional Summary

Machine Learning Engineer with 3+ years of experience in building, deploying, and scaling machine learning systems. Strong expertise in Python, scikit-learn, and model deployment using APIs. Experienced in MLOps practices, Docker, Kubernetes, and cloud platforms like AWS.

Technical Skills

- **Programming:** Python
 - **Machine Learning:** scikit-learn, Supervised & Unsupervised Learning
 - **Deployment:** Model Deployment, REST APIs
 - **MLOps:** CI/CD Pipelines, Model Monitoring
 - **Tools & Technologies:** Docker, Kubernetes
 - **Cloud Platforms:** AWS (EC2, S3), GCP basics
-

Work Experience

Machine Learning Engineer

ABC AI Solutions, USA

Jan 2022 – Present

- Built and deployed **machine learning models** using Python and scikit-learn
- Developed scalable **ML pipelines** for data processing and training
- Deployed models using **REST APIs** for real-time predictions
- Implemented **Docker-based containerization** for reproducible environments

- Used **Kubernetes** for orchestration and scaling of ML services
 - Monitored model performance and improved accuracy over time
 - Worked with **AWS services** for deployment and storage
-

ML Engineer Intern

XYZ Tech Labs, USA

Jun 2021 – Dec 2021

- Assisted in building ML models and preprocessing pipelines
 - Worked on API integration for model serving
 - Supported deployment and monitoring tasks
 - Used Git for version control
-

Projects

Real-Time Fraud Detection System

- Built ML model using scikit-learn
- Deployed model using Flask API
- Used Docker for containerization

Recommendation System

- Developed recommendation engine using ML algorithms
 - Created scalable pipeline for data processing
 - Monitored model performance and improved accuracy
-

Education

Bachelor of Technology in Computer Science

XYZ University, USA

2021

Certifications

- Machine Learning with Python
- MLOps Fundamentals
- AWS Cloud Practitioner
